

Use this guide to help your family learn how
God wants us to live in peace with others.

**First, watch
this week's
video at:**

Talk about:

Why does Easter
matter?

Peace:
Proving you
care more
about each
other than
winning an
argument.

MEMORY VERSE

"So let us do all
we can to live in
peace. And let us
work hard to build
up one another."
Romans 14:19, NIV

BIBLE STORY

Easter
Colossians 1:20
and John 20:1-18

BOTTOM LINE

God made
peace with us.

Talk About the Bible Story

What's your favorite part about
celebrating Easter?

Did you learn anything new about the
story of Easter?

How does Jesus rising from the dead
show us that God made peace with
us? (*Because His death on the cross is
what bought us peace.*)

What do we have to do to be in God's
family forever? (*Believe that Jesus is
God's Son and that He died to make a
way for us to have a relationship with
God*)

*Parent: share about a situation where
you found something difficult to
believe, only to find out later that it
was true.*

Prayer

Use this prayer as a guide, either
after talking about the Bible story or
sometime before bed tonight:

"God, You are faithful. You sent Jesus
to be our Savior, just like You
promised! God, we are so grateful for
Jesus. We're thankful for His life,
death, and resurrection. He has power
over sin and power over death.
Because of Jesus, we can have a
relationship with You now and forever!

Thank You for making a way for us to
be with You. In Jesus' name we pray,
amen."

Activity

Easter Peeps Slime!

What You Need:

Microwave, peeps (*sleeves of 5 per color*),
cornstarch, vegetable oil, tablespoon, bowl,
spoon and potholder.

What You Do:

**Adult supervision is needed, peeps get
hot!**

Break apart the sleeve of 5 peeps and add
to a microwave safe bowl.

Add a tablespoon of oil to the bowl of
peeps. Put the bowl of peeps in the
microwave for about 30 seconds.

Remove the bowl from the microwave
(*adults should do this part*).

Add a tablespoon of cornstarch at a time
and mush it into your softened peeps. They
will be warm/hot so adults should do this
to start with. (*approximately 3 tablespoons
of cornstarch for each color batch*)
The slime will thicken and be less sticky.

Make sure to really knead each tablespoon
into the mixture before you add more.

Knead and stretch it as you play with
