

STEP ONE: Watch the EC video at [hillsideonline.com/kids](http://hillsideonline.com/kids)

STEP TWO: Repeat the verse twice with the motions!

"God's way  
(point up)

is perfect."  
(two thumbs up)

2 Samuel 22:31  
(open hands like a book)

STEP THREE: Have fun with the activity "King, May I!"

**What you do:**

Have your child stand in front of you. Then, give them an action and a number of times to do that action. (Example: three jumps) Before the child moves, they must say, "King, May I." You respond with, "Yes, you may." Then the child does the movements. Repeat with different numbers and movements. Examples of movements: Jumps, baby steps, marching, one leg hops, giant steps, and walking on tippy toes. Try to keep the numbers under five. Repeat as long as there's interest.

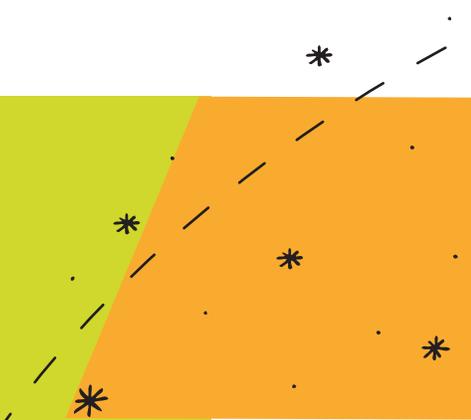

Say, "We're going to play a game! I will be the king. I will give you a movement and tell you how many times to do it. If I say, 'Do three jumps,' you will do this. (*Demonstrate.*) Before you move, you have to ask, 'King, May I.' Are you ready? (*Play game.*)

Great Job playing 'King, May I!' Today, we learned about a young king who taught people how to go God's way! King Josiah knew that God's way is perfect. **Whose way is perfect? God's way is perfect!"**

\* the Bible story for this week is found in 2 Chronicles 34

STEP FOUR: Pray together as a family!

"Dear God, thank You for teaching us that Your way is perfect. Help us be brave like King Josiah and tell our friends and family that Your way is perfect, because it's true! God's way is perfect! We love you, God. In Jesus' name, amen.

STEP FIVE: Draw a picture of a crown.

STEP SIX: Remind them that even though Josiah was a young king, he told everyone in his kingdom that they should go God's way.
