CHURCH VERBS | Week 2

REMINDERS: Take ATTENDANCE! Use the app & let us know who to add/remove!

GAME: 🎮🤖 PLAY EMPIRE!! All players find a partner in the open space and play a round of Rock Paper Scissors. The loser stops playing and joins the winner's team. Winners find another active winner to challenge. If you bring a group with you, only the main leaders duel. Every loss means your entire accumulated train of followers shifts to the person who just beat you. The game continues until only two massive groups remain for a final championship match, leaving everyone united in one final cheer!

TOPIC OVERVIEW:

Discipleship is when we teach one another to obey Christ. It is not necessarily teaching one another facts about Christ. He said, teach one another to obey him. That distinction matters. We are not trying to get students to pass a Bible quiz. Yes, Biblical and theology literacy matter, but you could memorize an entire book of the Bible and be unchanged if it is only about facts. Information without application leads to deception. Information with application leads to transformation! Wisdom was hearing God's Word and putting it into practice.

To obey God's Word, we need to know God's Word. And when we know the truth that we hold, we can then help one another and sharpen each other.

ICE-BREAKERS:

- If you had unlimited time to get good at one thing what would you want it to be?
- Would you rather go to the bottom of the ocean or into space?

MESSAGE DEBRIEF & BIBLE STUDY:

- What stood out to you from the video?
- Could you give a definition of discipleship? How would you tell someone else what discipleship is?
- **Read Matthew 28:19-20.** Does this feel like a big challenge? Is this ever hard for you to put into practice?
- **Read Hebrews 10:24.** Who is someone that is helping you be a disciple?
- Are you helping anyone to be a disciple? If not, could you?
- What does it look like to encourage one another when it comes to following Jesus?
- **Read James 1:22.** Take a second to reflect on the last week or two- how are you doing with following this passage? How could you take a step to grow in being a disciple this week? Who could help keep you accountable?
- **Pray.** Pray for the group to be able to experience growth in being disciples this week in all the different things they brought. Pray for God to lead and guide them. Pray for them to be a good encouragement and example to each other!
