

**WEEK THREE**

**PETER AND JOHN ARE TAKEN TO THE SANHEDRIN**

ACTS 3:1-4:21 (NirV)

**TALK ABOUT THIS:**

**What keeps you from finishing what you start?**

What is the hardest thing you have ever done?

How long did it take you to finish?

What made it so challenging?

Did you want to give up?

What is the most difficult job on the planet?

How long do you think it took to build the Great Wall of China?

The Great Pyramids of Giza?

The Empire State Building?

Noah's Ark?

*(need a lot of determination to finish these)*

**SAY THIS:**

**GOD GIVES YOU WHAT YOU NEED TO KEEP GOING.**

**REMEMBER THIS:**

*"Let us not become tired of doing good. At the right time we will gather a crop if we don't give up."*

**GALATIANS 6:9, NirV**

**DO THIS:**

Do you think that following Jesus means things will be easy? When you try to live the way Jesus taught us, things will get hard! But the awesome thing is that you don't have to tough it out on your own. When you follow Jesus, God promises to give you the power of His Spirit to keep going. Pray that God will give you the power of His Spirit this week to keep going, even when things get tough.

**DETERMINATION:**

**DECIDING IT'S WORTH IT TO FINISH WHAT YOU STARTED**

The Great Wall of China-More than 2,000 years  
The Great Pyramids of Giza-4,000 workers over the course of 20 years  
The Empire State Building-One year and 45 days  
Noah's Ark-unknown but potentially 70 years
